God's Song (That's Why I Love Mankind)

Cain slew Abel Seth knew not why
For if the children of Israel were to multiply
Why must any of the children die?
So he asked the Lord
And the Lord said:
Man means nothing he means less to me
Than the lowliest cactus flower
Or the humblest Yucca tree
He chases round this desert
Cause he thinks that's where I'll be
That's why I love mankind
I recoil in horror fro the foulness of thee
From the squalor and the filth and the misery
How we laugh up here in heaven at the prayers you offer

That's why I love mankind

The Christians and the Jews were having a jamboree

The Buddhists and the Hindus joined on satellite TV

They picked their four greatest priests

And they began to speak

They said, "Lord, a plague is on the world

Lord, no man is free

The temples that we built to you

Have tumbled into the sea

Lord, if you won't take care of us

Won't you please, please let us be?"

And the Lord said
I burn down your cities-how blind you must be
I take from you your children and you say how blessed

are we

And the Lord said

You all must be crazy to put your faith in me
That's why I love mankind
You really need me
That's why I love mankind

Putin

```
Putin puttin' his pants on
One leg at a time
You mean he's just like a regular fella, huh?
He ain't nothing like a regular fella
Putin puttin' his hat on
Hat size number nine
"You sayin' Putin's gettin' big headed?"
Putin's head's just fine
He can drive his giant tractor
Across the Trans-Siberian plain
He can power a nuclear reactor
With the left side of his brain
And when he takes his shirt off
He drives the ladies crazy
When he takes his shirt off
```

It's the Putin Girls!

Putin if you put it when you put it where you put it

Putin if you put it will you put it next to me?

Putin if you put it when you put it where you put it

Putin if you put it will you put it next to me?

Makes me wanna be a lady

Now Putin hates the Putin girls

'Cause he hates vulgarity

And he loves his mother country

And he loves his family

He and his ex-wife Lyudmila

Are riding along the shore of the beautiful new Russian

Black Sea

Let's listen in, a great man is speaking
We fought a war for this?
I'm almost ashamed
The Mediterranean

Now there's a resort worth fighting for
If only the Greeks or the Turks
Would start to sniff around
I'd bring the hammer down
So quick their woolly heads would spin
Woolly head, woolly head
Or, wait a minute

Even better

What if the Kurds got in the way?

Hey! Kurds and way, curds and whey!

Sometimes a people is greater than their leader

Germany, Kentucky, and France

Sometimes a leader towers over his country

One shot at glory, they don't get a second chance

I dragged these peasants kicking and screaming

I dragged these peasants kicking and screaming

Into the 21st century

I thought they'd make it

I must have been dreaming

These chicken farmers and file clerks gonna be the death

Sure, you can I can't do it Yeah, you can

What makes you say that girls?
Tell you why, 'cause you're the Putin man
Who whipped Napoleon?
We did!

we ara:

Who won World War II?
The Americans!
That's a good one ladies

It's our turn to sit in the comfy chair
And you're the man gonna get us there!
I don't know, Lenin couldn't do it
I don't know, Stalin couldn't do it
Now they couldn't do it

Why you think I can?

You're gonna lead our people to the Promised Land You're right, 'cause, Goddamn, I'm the Putin Man

She Chose Me

Most of my life, I've been all my own
Whenever I did, I did it alone
And then she came alone
Now I'm not alone
Since she chose me

Every night I thank the lucky stars above me
That someone as beautiful as she could really love me
And she really loves me

From time to time

I ask myself why was it I

And nobody else

The most beautiful girl that I'd ever seen

And she chose me

And she really loves me

From time to time

I ask myself why was it I and not someone else

The most beautiful girl

In all over the world

And she chose me
